

## **Vyom Distribution Creating Value for All**

Vyom Distribution Company is an international distribution company based in the UAE. It is managed by a team of professionals who are passionate about providing quality products and expert advice to the customers. With decades of experience throughout the Middle East and South Asia, Vyom Distribution has had the privilege of working with various leading customers and suppliers across the world.

### **VYOM DISTRIBUTION COMPANY**

Vyom Distribution Company is an international distribution company based in UAE. It is owned by management professional who had worked at various leading positions in India and UAE.

Vyom distribution represents international suppliers and manufacturers from across the world. We appoint sub-distributors across various countries where we have rights to distribute.

Our focus is giving marketing, technical, sales, logistics & training services to the partnering distributors. We offer consultancy, advice and help manufacturers in launching their products in various markets.

We have the ambition to work in high growth areas, to explore new technologies, sculpt niche markets, and offer unique solutions.
